

# Fire Safety Strategy Starts Here

## FireCORR 2021 Virtual Conference 16–17 November 2021

Explore the latest trends in passive fire protection (PFP) from industry leaders and experts at the FireCORR 2021 Virtual Conference, organized by AMPP (formerly NACE International and SSPC) and the Polish Corrosion Society (Polskie Stowarzyszenie Korozyjne). This two-day virtual conference brings together delegates from around the globe to share best practice strategies, market insights and the latest proven solutions to tackle fire and corrosion issues across process plant and civil infrastructure.

### Get the latest insight on such topics as:

- Durability of PFP
- Standards and implementation
- Coatings systems
- Surface preparation
- and more!

### Registration includes:

- Access to all technical presentations
- Access to the virtual platform for thirty (30) days

Registration Type	Member Price*	Non-Member Price
Advance Ends 30 September	\$250 USD	\$300 USD
Regular	\$300 USD	\$350 USD
Student **	\$50 USD	\$50 USD
